2

Move the team out from Paris to labor in specific places

3

Labor in those places until a church is established

Prayer Burdens for France

- Pray for more full-timers and for the release of long-stay visas.
- Pray for the raising up of more lampstands and for the timely spreading to southern France and French-speaking Europe.
- Pray for the Lord to release more saints to migrate.
- Pray for the French literature work — that translation, publication, and distribution throughout the French-speaking world would attract the Lord's chosen and seeking ones to the ministry of the age, bringing many into the church life and unto maturity for the preparation of the Bride.

Present items of the Lord's move in Italy:

- Three cities seeking fellowship for new lampstands: Prato (Est. May 2026), Fucecchio, and Turin
- Italian Recovery Version New Testament translation expected to begin spring 2026
- The Lord is strengthening fellowship and coordination among the brothers in Italy

Impact and Fruit in Italy

- Saints from 20+ countries worldwide joined together for the gospel trips, including from the US, Australia, Canada, China, Ghana, Malaysia, Singapore, South Korea, Spain, Taiwan, plus 62 saints from within Italy.
- Teams reported a marked difference this year in how open people were to hearing the gospel and in the number who prayed to receive the Lord. Several were baptized.
- Many open University of Padua students have been gathering in homes. Over 15 from Italy attended the European university conference in March.
- The shepherding trips are ongoing.

New Lampstands: Prato & Turin

Prato

Lampstand Established: May 17, 2026

Saints have been in Prato (and nearby Fucecchio) for more than a decade. Recent visitations have been a breath of fresh air, stirring the saints to take the Lord's table.

Several co-working brothers have made repeated visits to supply and blend.

Turin

Target: church meeting by year-end 2026

There is a group of saints that have been living there that are burdened to raise up the Lord's table meeting by the end of the year.

Saints from Spain, France, and other places have been repeatedly visiting to shepherd new ones and strengthen the saints.

Prayer Burdens for Italy

- Pray for the shepherding of the new ones — that they will continue steadfastly and become remaining fruit.
- Pray for the raising up of new lampstands, especially in Turin (by year-end) and Fucecchio.
- Pray for saints to migrate to Italy and for laborers to visit, both short-term and long-term.
- Pray for the translation of the New Testament Recovery Version into Italian.
- Pray for the continued strengthening of the brothers in Italy into the divine oneness.
